PremierNotes Interest Rates as of June 3, 2013

Investment Amount	Rate (%)	Yield (%)
Under $10,000	1.10	1.11
$10,000 to $49,999	1.25	1.26
$50,000 and over	1.40	1.41

Yield reflects the annual rate of return on the investment. It assumes that interest is compounded daily and posted monthly, and that there are no additional investments or redemptions.
