* Check Ordinance Restrictions

** Where Engineering Specifications Allow for a Metal Pole.

*** Pricing is for one cube fixture on a pole.

**** Additional upfront costs are applicable for existing approved poles that are painted black. Also these poles will be billed monthly at the special metal pole rate.

+ 40,000 lumen not available for new installations unless available in inventory.

Contract Period (The initial Contract Period for lighting units shall be one of the following:)

- 1 Year, if light is mounted on existing distribution pole.
- 3 Years, if new pole is required and electric lines are overhead
- 5 Years, if new pole is required and electric lines are underground
- 10 Years, for service utilizing fixtures, poles and posts determined by Company as Special Order nonstandard
- 20 Years, for service utilizing fixtures, poles and posts determined by Company as Custom Design nonstandard

Removals or disconnects with unexpired contract period are subject to termination charge of 40% of remaining payments.

Note:

- Progress Energy may require a security deposit before completing your application for lighting service.
- Some fixtures may not be available due to local municipal lighting ordinances.

For additional information, see the Area Light Service Schedule ALS-12A.
