Energy-Efficient Lighting

Save on CFLs, LEDs and light fixtures in a store near you – and every time you flip the switch.

Save up to 65% in stores

Look for the Duke Energy Progress sticker in local stores. You'll save up to 65% on today's best variety of ENERGY STAR® qualified lights and fixtures. And with CFLs and LEDs in more shapes and styles than ever, you're sure to find the right option for all your lighting needs.

Keep saving in your home

Today's energy-efficient lights use 75% less energy than traditional lights – and last 9 to 22 years. That means you'll go on saving with lower energy bills for years to come.
