

**Don't get burned by
expensive AC repairs.**

HVAC Repair Service

Progress Energy

Avoid expensive air conditioner repairs.

Get HVAC Repair Service.

Soon, the temperatures will be soaring. And the last thing you want on a long, hot summer afternoon is the hassle – and expense – of a broken air conditioner. Fortunately, you can protect yourself, with HVAC Repair Service from Progress Energy.

Great coverage.

For one monthly fee, conveniently added to your electric bill, you pay nothing for most common heating and cooling repairs. Our service also includes no deductibles and a 15 percent discount on any noncovered repairs. All for just \$17.99 per month.*

	Typical Cost	You Pay**
Replace 3-ton compressor	\$1,281	\$0
Replace air conditioner accumulator	\$451	\$0
Replace ½ horsepower blower motor	\$375	\$0
Install condenser fan motor	\$310	\$0
Replace defrost board on heat pump	\$236	\$0
Repair PVC drain line	\$148	\$0

One-call service.

If you have a heating or cooling problem, simply call and we'll have a prescreened, licensed contractor at your door as soon as possible. There's even an after-hours emergency service. You're covered for up to \$2,000 a year for repairs or replacement. Plus all work is guaranteed.

Enrollment is easy.

Just call **1.888.999.8856** (reference promo code **C11021**) to learn more or sign up today.

*Protection service for heating systems only is available for \$9.99 per month with \$1,000 yearly coverage. Discounts for additional units are also available.

**Trip charge of \$35 not included.

YES, SIGN ME UP!

I'd like to enroll in HVAC Repair Service. I understand that the \$17.99 monthly fee will be added to my electric bill for heating and cooling coverage. For heating only coverage, please call **1.888.999.8856**.

Yes! I would like Progress Energy to notify me about specials or new products. My e-mail address is: _____

HVAC Repair Service is an unregulated service offered by Progress Energy to its customers in certain locations in North Carolina. A complete description of the terms and conditions of HVAC Repair Service, including aggregate liability limits, is contained in the service contract, a copy of which is sent to all new subscribers. Please read the contract carefully; HVAC Repair Service does not cover code violations, upgrades, neglect or abuse, lightning, low-voltage wiring, appliances or obsolete parts. HVAC Repair Service is not regulated or sanctioned by the North Carolina Utilities Commission. Customers who purchase HVAC Repair Service will receive no preference or special treatment from the utility company, and are not required to buy HVAC Repair Service in order to receive safe, reliable electric service. NC Contractor's License #12274.
